

1. MARCH 8th, 1980

As you can see from the enclosed leaflet we have called an organizing meeting for March 8th, 1980 to be held in mid-January. We are hoping to be able to get as many women and representatives from organizations to this meeting as possible in order to get moving with the greatest possible strength. We hope that this first organizing meeting will be able to establish a March 8th Coalition to plan and build this year's events with the IWDC being only one of many supporting groups. In particular we hope that the groups and individuals who have worked on March 8th in the past two years will be able to come in solidly around planning this year and organizing from the very beginning.

Please encourage all women who might be interested and with whom you have contact to attend this year's meeting on the 17th of January.

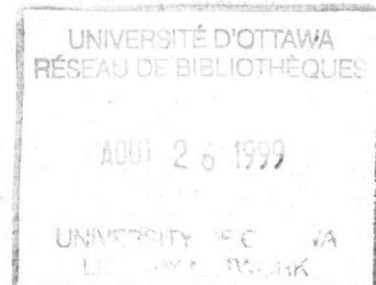

2. IWDC MEETINGS

Unlike previous years, the IWDC will continue to meet as an organization separate from the coalition to build March 8th. Our first meeting in 1980 will be on January 9, 1980 at University Settlement House at 7:30. We will be discussing our position on the issues for March 8th, 1980.

Other meetings which have been planned include an educational meeting with WANT \* on the relationship between women's liberation and the nuclear issue. ~~The time and place are undecided as yet.~~ There will be meetings on February 6th and 20th which will also have educational components to them.

February 6 - Affirmative Action - with particular reference to the Women into Stelco campaign  
February 20 - Lesbian Rights

All meetings will be at the Settlement House.
