The IWDC has voted to support the anticipated strike of the Metro Library workers and urge people to attend a benefit scheduled for Saturday evening, August 30th at the Scadding Court Community Centre at Bathurst and Dundas Streets. A number of our members belong to the union, and we will be planning a solidarity picket and other actions in support of the strikers.

We are again asking any of you who have not sent in your \$3.00 or greater donation to continue to receive the newsletter to please do so now by filling out the attached form.
