INTERNATIONAL WOMEN'S DAY COMMITTEE

NEWSLETTER

IWDC had its first meeting, after the successful International Women's Day march, fair and dance, on Wednesday March 26. There was good attendance with a number of new women. Various ideas were tossed out for consideration for future actions and activities for smaller committees and the group as a whole.

Some of the ideas that are now being explored include a possible action in conjunction with the Equal Pay for Work of Equal Value Coalition which has approached us, a March 8th handbook to record what we have learned over the past three years in our organizing, and educationals both public and small group. Committees have been struck and we will be discussing these and other suggestions that women might have at our next general meeting.

International Women's Day Committee has endorsed the Anti-Nuclear Demonstration scheduled for April 26th and will probably be organizing a contingent to participate in the demonstration.

An educational for IWDC to be given by Lesbian Perspectives is scheduled for our April 23rd general meeting.

The following meetings will be held at the University Settlement House at 23 Grange road at 7:30 pm and we invite any interested women to attend:

April 9, Wednesday at 7:30

April 23, Wednesday at 7:30

May 7, Wednesday at 7:30.
