FREEDOM FROM RELIGIOUS COERCION!  
DEFEND WOMEN'S RIGHTS!**

On April 30, "Renaissance International" is bringing to Winnipeg Anita Bryant who campaigns against equal rights for women, lesbians and gay men, and religious minorities.

We know that when lesbians and gay men are subject to unfair discrimination then

all civil rights are in jeopardy.

We, the members of the Coalition to Answer Anita Bryant, gay and straight, are coming out on Sunday, April 30th, to affirm the importance of human rights for everyone.
