

THE OTHER WOMAN

A Revolutionary Feminist Newspaper

To Subscribe...

We manage to get the paper out with volunteer workers - but we still have to pay for printing, postage, and supplies. We receive no grants and are almost totally dependent upon the contributions of those who receive the newspaper. There is no fixed subscription rate so that all who need the paper can have it. (We suggest \$2.00 per year) We just ask that you help - do the best you can.

HELP THE NEWS TO GET AROUND!

Send us names and addresses of people who should receive sample copies of the paper.

Send us the mailing list from your organizations, newspapers, etc., so that we can send out a few sample copies to them.

Encourage college bookstores, paperback centers, etc., to sell the paper.

OTHER WAYS TO HELP

Send us clippings from your local papers.

Photographers: send us photos (black & white)

Artists: send sketches and illustrations (pen & black ink)

Poets: send poetry

Writers: send letters to the editor, essays, editorials, articles, analysis. Be a reporter for your area.

Researchers: check your local libraries and museums for photos, pamphlets, etc., that should be reprinted.
